In-Stock Thread Colors - Actual Thread Colors May Vary from Illustration

Artwork: Camera-ready artwork is preferred in the following electronic formats: .eps, .jpg or .pdf. To preserve the integrity of your logo, fax copies are not recommended.

Colors: Provide Pantone® colors and we will closely match them to one of our 137 in-stock thread colors. Include up to nine colors of thread. If you do not know the Pantone® colors you can request thread samples from our customer care team.

Colors: Stock embroidery is available in block and script lettering that range from 3/8" to 3" size characters. Character spacing is limited to letter size.

Requirements: Lettering must be 1/4" or greater to be legible. The logo design can not exceed the maximum of 10" x 10", but the overall size of the logo will be dependent on style of characters and location on garment.

Any changes to an approved logo could incur additional charges. Digitalizing fees are based on stitch count and colors.

Requests: Please email or fax your monogramming and embroidery to our Customer Care Team at info@gotopac.com.

Custom Embroidery is available for your specific logo and or lettering designs. Camera-ready artwork detailing your design is preferred in the following electronic formats: .eps, .jpg or .pdf files. To preserve the integrity of your logo, fax copies are not recommended. Contact your Sales

Representative to develop your own embroidered logo by describing each part of your design by thread color. When colors must be specific for your logo, use PMS numbers which will be matched as closely as possible to one of our stock thread colors. Limit up to nine colors.

Emblems: We can supply you with any type of woven, rubber or vinyl emblem. Custom design help is available. Please provide camera-ready artwork with information detailing the emblem design, quality, colors and emblem placement.

Screen Printing can be produced in one to six colors. We can reproduce your logo using camera-ready artwork, or we can produce custom artwork at a minimal charge, from a clear copy of your chosen design. When inquiring about screen printing, please specify the size, placement and the PMS color of the garment being printed on.

Kaumographs are a heat transfer application. Minimums required, please contact your sales representative.
