### STATUTORY REGULATIONS

This product is manufactured and labeled in compliance with the Federal Food, Drug and Cosmetic Act issued by the Food and Drug Administration (FDA).

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from <https://www.debmed.com/safety-data-sheets/>.

### SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

### QUALITY ASSURANCE

DebMed products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality skin care products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Testing

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility.

### EFFICACY TESTS

#### Water Saving Study

Independent tests show that washing hands with foam soap rather than lotion soap can reduce the average water consumption by as much as 45% (Conclusion of report: "How a simple change in the washroom can significantly reduce water consumption and associated costs", Durrant and McKay, 2011).

### INGREDIENTS
