

Blue

White

Description

Seamless, **5.1 Mil thick material and high quality, one-piece design** protects your shoes or socks against liquids. Made from lint-free polyethylene film. Two color options and 3 sizes are available for this CPE shoe cover, which easily fits over most shoes. Packaged 100 shoe covers per bag.

Applications

- CPE shoe covers have a one-piece design, and are suitable for exposure to some hazardous liquids and where liquid splash is a concern.
- 5.1 Mil thick, high quality CPE material with texturing for skid resistance.
- Suitable for ISO Class 5 Cleanroom use.
