

M-Zone® FlatMops™

The easy slip-on, tab removal Micronova **M-Zone® FlatMop™** is lightweight and designed to clean all surfaces in controlled environments. The easy to use cleanroom mop is ideal for wet or dry cleaning and sanitizing. The covers fit onto a plastic or stainless steel frame with 360-degree swivel joint that rotates for use in cleaning and disinfecting surfaces and equipment in cleanrooms, ISO 5 to 9 areas.

The FlatMop mop covers are available in a range of fabrics and sizes to match various cleaning and decontamination requirements. There are "no-foam" options for quick wipe downs and sanitization.

- Lightweight and easy to maneuver, the 14"-18" size is ideal for floors, walls, ceilings and awkward corners. The 9" size is perfect for pass throughs, BSC and other small chambers.
- Mops easily glide onto adapters without any attachments and can be removed by pulling on the Micronova tab.
- Generous foam interior allows for optimum deposit/dwell time of disinfectant.
- Available in a variety of lengths to match the size of the surface, from equipment cleaning to large production areas.
- Polyester urethane foam interior is fully encased in polyester.
- Range of cleaning surface fabrics for various conditions.
- Fits on QPSL, plastic frame or QDSL stainless steel frame both with a swivel joint that rotates 360° but can be locked in 180° position for a more precise, controlled cleaning.
- Compatible with alcohol, strong disinfectants and steam sterilization.
- Launderable for reuse.

Product Part Number(s):

- | | |
|-----------------------------|---|
| MZSM11-9S, -14S, -16S -18S: | PolySorb FlatMops, 9, 14, 16 and 18 in |
| MZSM56-9S, -14S, -18S: | NovaPoly FlatMops, 9, 14, and 18 in |
| MZSM620-9S, -14S, -18S: | MegaTex FlatMops, 9, 14, and 18 in |
| MZSMAA-9S, -14S, -18S: | Blue Microfiber FlatMops, 9, 14, and 18 in |
| MZSMAW-9S, 14S, -18S: | White Microfiber FlatMops, 9, 14, and 18 in |
| MZSM68-9S, -14S, -18S: | PolyMesh FlatMops, 9, 14, and 18 in |
| MZSM11-9NS, -14NS, -18NS: | PolySorb FlatMop, No Foam, 9, 14, and 18 in |
- IR Suffix: Gamma Irradiated (for example MZSM11-14IR)

Materials of Construction:

100% Polyester Lining
Urethane Foam Interior

Dimensions:

Width: 5 in
Length: 9 to 18 in, see part numbers above

Cleaning Surfaces:

- **NovaPoly** 100% smooth polyester knit provides excellent disinfectant dispersal
- **PolySorb** 100% Textured Polyester assists in removing residues and dispersing disinfectant.
- **MegaTex** 100% non-woven polyamide cleaning surface has mild abrasive properties yet absorbent.
- **Microfiber** 80% polyester, 20% polyamide is highly absorbent and effective in dry and wet mopping.
- **PolyMesh** 100% polyester with mesh to provide a mild scrubbing action.

Manufactured for use in Controlled Environments

- ISO 5 thru 9 Cleanrooms
- ISO 9001 Certified Manufacturing Facility
- Autoclavable
- Good chemical resistance to disinfectants and cleaning solutions
- Minimum Irradiation Dose: 25 kGy
10⁻⁶ Sterility Assurance Level
